Source: Piper Sandler, S&P Global Market Intelligence, company reports and regulatory filings

Data includes only bank and thrifts as defined by S&P Global Market Intelligence that have reported 2020 earnings as of April 26, 2021. Capital adequacy and asset quality figures are as of calendar year-end 2020.

Profitability figures are for the calendar year ending in 2020 and are based on core income as defined by S&P Global Market Intelligence where available. Asset quality figures are as of calendar year-end 2020.

Nonperforming assets and average loans in the NCO calculation are net of guaranteed loans. NPA calculation excludes accruing TDRs if disclosure is available through company filings.
